

Warehouse Medium Duty Racking Galvanized Pallet Rack Customizable Color

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Qifei
- Certification: ISO9001 CE SGS
- Model Number: Medium Duty
- Minimum Order Quantity: 10
- Price: 50
- Packaging Details: Standard Export
- Delivery Time: 20 days after deposit
- Payment Terms: 30% deposit, 70% before delivery
- Supply Ability: 8000ton/year

Product Specification

- Weight Capacity: 200KG
- Packing: Bubble Film + Carton
- Price Term: EXW, FOB,
- Feature: Adjustable, Corrosion Protection, High Load Capacity
- Meas: 1500*500*2000mm
- Colour: Customized
- Usage: Warehouse Storage
- Appearance: Powder Coating
- Highlight: medium duty racking galvanized ,
medium duty racking ,

Product Description

1000KG Medium Duty Warehouse Racking With Customizable Color Galvanized Pallet Rack For Efficient Storage

Product Description:

Medium duty racks are industrial shelving or storage systems designed to hold heavier loads than standard light duty racks, but not as heavy as those for industrial or heavy duty applications.

Medium duty racks can be freestanding or attached to walls, and are available in various heights, depths, and number of shelf levels.

Key considerations when selecting a medium duty rack include the weight, size, and number of items to be stored, available floor space, and accessibility requirements.

Required info for quote

- 1、The AUTOCAD drawing of warehouse or racking
- 2、Length, Height, and Width of the warehouse
- 3、Layers of the racking
- 4、Pallet size
- 5、Max weight of pallet with cargo on
- 6、Color requirement

Applications:

They are commonly used in warehouses, workshops, garages, and other commercial/industrial settings where more load capacity is needed compared to a typical home or office.
